Automation

Our Range of Product & Services

Robotics Cells & Integration

Industrial Washing Machines

Conveyors & Handling Systems

Leakage Testing Rigs

Autogauging & Inspection

Overhead Monorail KBK Cranes

System Integrators

- CNC / VMC Machine Loading.
- Part Deburring & Fettling.
- Robotic Welding Cells
- Gantry / Track Robots
- Packing and Handling Cells

We are appointed & preferred system integrators for *Gudel (India) Pvt Ltd* products and systems for Kolhapur, Sangli, Belgaum Area.

We Provide Robotic Programming and Integration Services For Following Brands of Robots

GÜDEL

ABB
ROBOTICS

FANUC
Robotics

YASKAWA
MOTOMAN ROBOTICS

KUKA
KUKA ROBOTICS

Panasonic
Welding and Handling Robots

NACHI
ROBOTIC SYSTEMS, INC.

Kawasaki
Robotics

Robotic Cells

Robotic Washing Machines

High Pr. Washing Machines

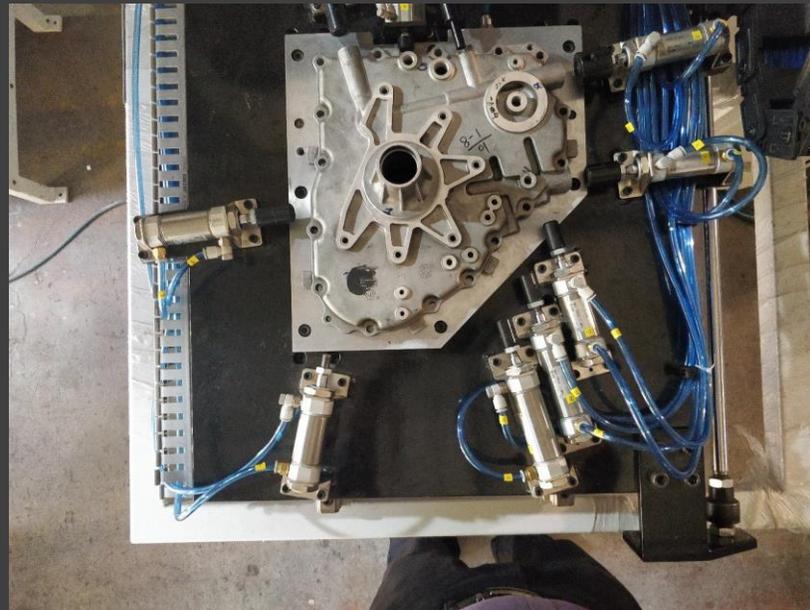

Ultrasonic Washing Machines

Conveyors

Leakage Testing

Assembly Cells

Overhead KBK Monorail Systems

Customer List

Menon & Menon Ltd.

DUNUNG GROUP OF INDUSTRIES

SAROJ FOUNDRY PVT. LTD
(Formerly Saroj Iron Industries Unit II.)

MUTHA GROUP
Moulding excellence into Quality Castings

MAURYA GROUP

Menon Piston Rings (P) Ltd.

Bunts Tools Pvt. Ltd.
Mfr. Precision Machined Components

About Us

Innovista Automation was established in 2008 to provide customized automation solutions and systems to cater the needs of auto part manufacturing, food & pharmaceutical industries.

We are committed to become leading and most preferred source of automation systems supplier in western Maharashtra region with focus on sustained quality, prompt service and excellence in performance.

Our intent is to provide specific solution for the unique needs of our clients. We design and manufacture systems which perfectly fit into the existing process, available facility and mainly the budgetary constraints of our clients.

We have successfully executed over 500 projects in Auto Parts Manufacturing, Foundry, Food & Pharma Industries. Our List of Satisfied Customers is ever growing.

THANK YOU.
